It lets Council know who is trading where and when and if the trader has been approved in the municipality they have come from or are one of our local businesses/organisations. Even if you already have a registration with council for a fixed premises food business, you need to register with STREATRADER if you will be selling food at another location. There will be no fee incurred for local charitable organisations, or for local businesses that otherwise pay Food Act registration for their fixed premises. Even if you are only providing tea/coffee, drinks or other pre-packed low risk food, you must register with STREATRADER. Food stallholders are required to attach the appropriate certification to their booking form and bring their food plan with them to the market.

STREATRADER can be accessed at <https://streatrader.health.vic.gov.au>.

The Beechworth Celtic Committee and its designated Market Organisers reserve the right to refuse a site to any stallholder not complying with any of the above requirements or who use offensive language or exhibits bad behaviour.

Stallholders must provide all of their own equipment such as marquees, tables, power leads, etc. As some sites are not completely level it is suggested that leveling blocks also be packed to level tables and stands.

Quality Control: Acceptance of product will be at the discretion of the market organisers with our aim to keep our markets as a quality Celtic themed market.
